APeX™

Electronic Information Service

APeX is designed to integrate with a distributor's business system. It is a flat file that provides timely price and product information from electrical and plumbing manufacturers.

Excellent Manufacturer Coverage

APeX Electrical contains information from over 516 electrical manufacturers. APeX Plumbing contains information from over 380 plumbing manufacturers. Manufacturer information is updated on a weekly basis. New manufacturers are added on a request basis, with no additional charge to the requesting distributor.

Excellent Customer Service

Material Express provides superior customer service. There is no need to wait in a long queue or to have a "number assigned" and then wait for a call back. With Material Express, you speak directly to our representatives.

Custom Price Files

APeX is customized to your exact specifications. We currently integrate with over 15 business systems. You can subscribe to our entire "Full File" database or the individual manufacturers of your choosing. With APeX, you have the option of receiving your data exactly as you need it. Options include multiple discount schedules, pricing groups, class codes, and extended fields of information.

Net Pricing

APeX provides an option to include your special net pricing, direct from the manufacturer. This service is available for a nominal fee.

Multiple Delivery Formats

You can elect to receive your updates via FTP, and CD-ROM,. Initial loads are provided on CD-ROM.

It's Easy to Switch to APeX

Our experienced customer service department will assist you each step of the way. APeX has been tested on most distributor software systems. For a complete list of compatible systems contact Material Express.
